

## How to search for a Treaty Annuity Paylist Online

Treaty Annuity Paylists up to 1909 are available online:

- 1) Go to <http://www.collectionscanada.gc.ca/lac-bac/search/arch>
- 2) In the “Any Keyword(s)” section, type: *treaty annuity paylists* (or, *treaty 4 paylists*). Select “Submit.”
- 3) Once the results load, select the desired dates (on the right side of the page) to narrow your results.
- 4) Under the result you are looking for, take note of the “Copied container number” (for example, C-7145).
- 5) Open a new window and go to <http://heritage.canadiana.ca/> . Enter the copied container number into the search bar. If Heritage Canadiana has the reel digitized, it will be the first result.
- 6) Click on the result and it will open the Treaty Annuity Paylist.

\*Note that the image number will not always correspond with the page numbers of the actual document. There are also numerous years in one reel.
